EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

M/s B. Maheshwari & Co., Chartered Accountants, has completed consecutive five years as Statutory Auditor of the Company on conclusion of 37th Annual General Meeting. Accordingly as per the requirement of the Act and based on the Recommendation of Audit Committee, the Board of Directors of the Company proposed to appoint M/s Vijay R. Tater & Co., Chartered Accountants, Mumbai (Firm Registration Number 111426W) as Statutory Auditors of the Company for consecutive term of 5 (Five) years commencing this Annual General Meeting till the conclusion of the 42nd Annual General Meeting.

M/s Vijay R. Tater & Co., Chartered Accountants have consented for their appointment the said appointment and confirm that their appointment, if made, would be within the limit specified under section 141(3) of the Act.

They have further confirmed that they are not disqualified to be appointed as Statutory Auditors in terms of the provisions of the section 139, 141 and the provisions of Companies (Audit and Auditors) Rules, 2014.

Further requirement of ratification of Auditor by members at every Annual General Meeting has been omitted by the Companies (Amendment) Act, 2017 effective from May 7, 2018.

Item No. 4

The Companies Act, 2013, has prescribed a new format of Memorandum of Association ("MOA") for companies limited by shares. Accordingly, with a view to align the existing MOA of the Company with Table A of the Schedule I of the Act and in accordance with Section 4 and 13 of the Act, it is proposed to rename the Object Clause III (B) and The existing Clause III (C) – Other Objects in the Memorandum of Association shall be deleted

The Board at its meeting held on August 16, 2022 had considered alteration of the MOA of the Company and the Board now seeks approval of members for the same.

None of the Directors, Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise in the resolution set out at Item No.4

CEO / CFO CERTIFICATION:

As required by Regulation 17(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, The CEO / CFO certificate for the financial year 2021-22 has been submitted to the Board and the copy thereof is contained in the Annual Report.

ADEQUACY OF INTERNAL FINANCIAL CONTROLS

The Company believes that a strong internal control framework is an important pillar of Corporate Governance. The Company has in place adequate internal financial control system which ensure orderly and efficient conduct of its business, safeguarding of its assets and accuracy and completeness of accounting records, timely preparation of reliable financial information and various regulatory and statutory compliance

Further, company's internal control system is commensurate with the size, scale and complexity of its operations. The main thrust of internal audit is to test and review controls, appraisal of risks with best practices in the industry. The Management with Audit Committee periodically reviews the Internal Control System and procedure for the efficient conduct of the business.

RISK MANAGEMENT

The Company operates in conditions where economic environment and social risk are inherent to its businesses. In managing risk, it is the Company's practice to take advantage of potential opportunities while managing potential adverse effects.

The various elements of risk which the Directors think, that may threaten the existence of the Company are:

- a) Financial Risk: Financial risk generally arises due to instability and losses in the financial market caused by movements in stock prices, currencies, interest rates and more.
- b) Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.
- c) Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.
- d) Time Risk: To compensate for non-receipt of expected inflow of funds.

In line with Listing Regulations and as per the requirement of Section 134(3) (n) of the Companies Act, 2013 read with the rules made there under, as amended, Board has a framework for Risk Management to oversee the mitigation o such risks.

REMUNERATION POLICY

The Nomination and Remuneration Policy of the company as mandated under Section 178 (3) (4) of the Companies Act, 2013 is available on the website of the company

CORPORATE SOCIAL RESPONSIBILITY

During the financial year ended March 31, 2022 pursuant to the provision of section 135(1) of the Act read with Companies (Corporate Social Responsibility Policy) Rules, 2014, the Company is required to Spend Rs. 1.50 Lac towards CSR.

Since the amount to be spent is less than Rs. 50.00 Lac, the CSR Committee is not being constituted and the function of the committee is taken care by the Board of Director. In Compliance with Rule 3 of Companies (Corporate Social Responsibility Policy) Rules 2014, the CSR Report is given as **Annexure 5** which forms part of this Report.

DIRECTORS RESPONSIBILITY STATEMENT

Pursuant to Section 134(5) of the Companies Act, 2013, your Directors make the following statement and confirm that: -

- i) in the preparation of the annual accounts for the year ended 31 March 2022, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- ii) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31 March 2022 and of the Profit of the Company for year ended on that date;
- iii) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) the Directors had prepared the Annual Accounts on a 'going concern basis';
- v) the Directors had laid down internal financial controls and that such internal financial controls are adequate and are operating effectively; and
- vi) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statement for the financial year 2021-22 is prepared in accordance with applicable provisions of the Companies Act, 2013, Accounting standard and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has formulated a Vigil Mechanism (Whistle Blower Policy) for its directors and employees of the Company for reporting genuine concerns about unethical practices and suspected or actual fraud or violation of the code of conduct of the Company pursuant to the provisions of Section 177 of the Companies Act, 2013 read with the rules made thereunder. This vigil mechanism shall provide a channel to the employees and Directors to report to the management, concerns about unethical behavior, and also provide for adequate safeguards against victimization of persons who use the mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional. The practice of the Vigil Mechanism /Whistle Blower Policy is overseen by the Audit Committee of the Board and no employee has been denied access to the Committee.

The Company will take appropriate action for its resolution. During the year, no whistle blower event was reported and mechanism is functioning well.

CODE OF CONDUCT

Company's Board has laid down a Code of Conduct for all the Board Members and Senior Management Personnel of the Company. The Code of Conduct is available on the Company's website www.meenakshisteel.in. All Board Members and Senior Management Personnel have affirmed compliance with Code of Conduct for Board Members and Senior Management during the financial year 2021-22. The declaration in this regard has been made by the Management Director which forms the part of this report as an annexure.

CORPORATE GOVERNANCE

As per Regulation 15(2) of the Listing Regulations, the compliance with the Corporate Governance provisions shall not apply in respect of the following class of companies:

- a. Listed Entity having paid up equity share capital not exceeding Rs.10 crore and Net Worth not exceeding Rs.25 crore, as on the last day of the previous financial year;
- b. Listed Entity which has listed its specified securities on the SME Exchange.

Since, our Company falls in the ambit of aforesaid exemption (a); hence compliance with the provisions of Corporate Governance shall not apply to the Company and it also does not form part of the Annual Report.

DISCLOSURE OF SECRETARIAL STANDARD BY DIRECTORS

The company complies with all applicable standards issued by the institute of Company Secretaries of India. The Directors have devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards and that such systems are adequate and operating effectively.

PREVENTION OF INSIDER TRADING

The Company has adopted the Code of conduct for prevention of Insider Trading with view to regulate trading in securities by Directors and designated employees of the Company. The Code of conduct require pre-disclosure for dealing in Company's Shares and prohibit the purchase or sale of Company's shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when trading window is closed. The Board is responsible for implementation of the code. All Board of Directors and the designated employees have confirmed the compliance of code.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

The particulars of loans, guarantees or investments covered under the provisions of Section 186 of the Companies Act, 2013, if any, are given in the Audited Financial Statements, wherever applicable.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

In view of the nature of activities which are being carried on by the Company, the particulars as prescribed under Section 134(3)(m) of the Act read with Companies' (Accounts) Rules, 2014 regarding Conservation of Energy and Technology Absorption, and research and development are not applicable to the Company.

There were no foreign exchange earnings and outgoings during the year under review.

DIRECTORS AND KMP

Mrs. Sudha P. Jajodia (DIN-00376571) who is retiring by rotation at this Annual General Meeting is to be re-appointed. His involvement with the affairs of the Company is beneficial to the Company as well as Stakeholders.

During the year Ms. Binita Sharad Gosalia, Company Secretary and Compliance officer resigned and her resignation were accepted at the Board Meeting held on 17th January, 2022 and at the Board Meeting held on 11th February, 2022 on the recommendation of Nomination and Remuneration Committee, Ms. Ranjana S. Gajewar, member of Institute of Company Secretaries of India, was appointed as Company Secretary and Compliance Officer.

PERFORMANCE EVALUATION

The Nomination and Remuneration Policy of the Company empowers the Nomination and Remuneration Committee to formulate the process of evaluating the performance of Individual Directors, Committees of the Board and the Board as whole.

The Nomination and Remuneration Committee of the Company also evaluated the performance of all individual Directors on various parameters such as level of participation of Directors, preparing themselves well in advance to take active participation at the meeting(s), level of knowledge and expertise etc.

All the Independent Directors of the Company also had a separate meeting on 11th February, 2022 to review the performance and evaluation of Non-Independent Directors and Board as a whole.

The Board after taking into consideration the evaluation as done by Nomination and Remuneration Committee and by Independent Directors, carried out an annual evaluation of its own performance and that of its Committees and individual Director. The overall outcome of such evaluation is that the Board, its committees and individual Directors have performed effectively and satisfactorily

MEENAKSHI STEEL INDUSTRIES LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

With the success rollout of vaccines this year started on an optimistic note for the Global capital market. Across the world asset classes has witnessed unparalleled growth, driven by enhance liquidity and prospect of strong post-pandemic economic recovery. Retail investors are one of the primary drivers for this growth of liquidity.

Despite of developments, the benchmark stock market indices in India shows increasing trend. This performance was supported by Strong Corporate earnings, sharp rise in COVID vaccination, opening up of business establishment across the country and more importantly, explosive growth in the size of India's retail investors segment that is increasingly looking at equity investments as a viable option to sublime return offered by risk free assets

We believe the industry is moving towards fee for service model wherein the customer is charged fee as per services availed instead of standard or fixed charge. With the financial saving rising and lower rate of interest, equity as an asset class will continue to remain attractive. The Capital market business are currently in a sweet spot in the journey or transition of business model.

Opportunities and Threats

With the increase in size and importance on India's financial sector relative to its overall economy, the equity industry is set for increased volume over the next few years. Further since the equities are expected to do well over the longer term, we still likely see increased investor participation. The Complete Client KYC journey digitally has been a big boost to the Industry.

However acquainted with the situation, the Company shall consciously efforts to increase investors participation. The Company shall also focus on efficient use of technology to become cost efficient performer in the market. The Company's focus on technology, drive client acquisition, increase its business network provide efficient trading tools and value added research advice to the Client.

Segment-wise-Performance

Your Company operates only single segment which is non-banking financial services (Granting/taking of loans and making Long term Investments).

Future Outlook

The Company's technology based platform play a key role in facilitating business from self-service segments and provide a larger base for cross-selling financial products. Its strategy continues to be built on improving and fortifying research content. The Company shall make investments, process and technology and continues to focus on delivering steady performance. The Company shall take into consideration the changes in the capital market and be prepared to overcome the challenges and perform sustainably.

Risk and concerns

The very nature of the Company's business make it subject to various kinds of risk. The Company encounter market risk, credit risk and operational risk in its daily business operations. The Capital market industry in which the company is operating is subject to extensive regulation. The Company evaluates the technology obsolescence and associated risk and make investment accordingly.

The Risk management is a key element of the Company's business strategy and is integrated seamlessly across all of its business operations. The objective of the risk management process is to optimize the risk free return equation and ensure prudent financial management along with meticulous compliance with all extant laws, rules and regulations applicable to all the business activities.

INTERNAL CONTROL SYSTEM & THEIR ADEQUACY

The Company has an adequate system of internal control to ensure accuracy of accounting records, compliance with all laws and regulations and compliance with all rules, procedures and guidelines prescribed by the management. An extensive internal audit is carried out by Independent firm of Chartered Accountants. The Board / Audit Committee reviews the overall risk management frame work and the adequacy of internal controls instituted by the management team. The Audit Committee reviews major instances on a quarterly basis and action are taken on the same. It also focuses of the implementation of the necessary system and controls to strengthen the system and prevent the recurrence. The internal process has been designed to ensure adequate checks and balances and regulatory compliance at every stage. The internal audit team carries out a risk-based audit of these processes to provide assurances on the adequacy and effectiveness of internal control for prevention, detection, reporting and remediation of frauds.

FINANCIAL & OPERATIONAL PERFORMANCE

During the Financial Year 2021-22, Company has eared profit before tax of Rs. 570.86 Lakh by optimum uses of available fund resources by way of lending to Corporate and investment. The Company's income during the year is Rs. 2,016.79 Lakhs as compared to 1,408.09 Lakhs Lac in the previous year.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company recognizes the importance of Human Resource as a key asset instrumental in its growth. The Company has well developed management information system giving daily, monthly and periodical information to the different levels of management. Such reports are being analyzed and effective steps are taken to control the efficiency, utilization, productivity and quality in the Company.

Form No. MR-3

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies
(Appointment and Remuneration of Managerial Personnel), Rules 2014]

To,
The Members
MEENAKSHI STEEL INDUSTRIES LIMITED
K-27, Jiya Sarai,
1st Floor, Near IIT Gate,
New Delhi 110 016

I have conducted the Secretarial Audit of the Compliance of applicable statutory provisions and the adherence to corporate practices by **MEENAKSHI STEEL INDUSTRIES LIMITED** (herein after called "the Company") for the audit period covering the financial year ended on 31st March, 2021. The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to reporting made hereinafter :

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company as given in the Annexure I, for the financial year ended on March 31, 2021, according to the provisions (to the extent applicable) of :
 - i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - ii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
 - iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder applicable to the extent of receipt of funds on non-repatriation basis from foreign investor; **(Not Applicable to the Company during the Audit Period)**

- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(Not Applicable to the Company during the Audit Period)**
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase scheme) Guidelines, 1999 and the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 **(Not Applicable to the Company during the Audit Period)**
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not Applicable to the Company during the Audit Period)** and
 - f) The Securities and Exchange Board of India (Registrar to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client. **(Not Applicable to the Company during the Audit Period)**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(not applicable to the Company during audit period)** and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(not applicable to the Company during audit period).**
 - i) The examination of compliance of the provisions of other special applicable laws was limited to the verification of procedure on test basis.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with the Bombay Stock Exchange Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, Listing Agreements etc. mentioned above.

I further report that:

- i. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There are no changes in the composition of the Board of Directors during the period under review. During the year under review Ms. Binita S. Gosalia, Company Secretary and Compliance resigned with effect from 17th Jaunay, 2022 and Ms. Ranjana S. Gajewar, Member of Institute of Company Secretaries of India was appointed at the Board Meeting held on 11th February, 2022 as Company Secretary and Compliance Officer

- ii. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there are no specific events / actions having a major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standard etc. referred to above.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MEENAKSHI STEEL INDUSTRIES LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of **MEENAKSHI STEEL INDUSTRIES LIMITED** (hereinafter referred to as "the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (collectively referred to as 'Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

(Cont..2)

Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Cash Flows and Changes in Equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

(Cont..4)

- Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure-A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - d) In our opinion the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.

- e) On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure-B.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid and provided remuneration to its directors.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
 - i) The Company does not have any pending litigations which would impact its financial position other than those mentioned in notes to accounts.
 - ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company.
 - iv) (a) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) As per the information and explanation given to us by the management, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) On the basis of above representations, nothing has come to our notice that has caused us to believe that the above representations contained any material mis-statement.
- v) The Company has not declared or paid any dividend during the year.
- vi) Pursuant to Ministry of Corporate Affairs notification dated 24.03.2021 read with notification dated 31.03.2022 requirement of reporting by the auditor on use of accounting software for maintaining its books of account with audit trail (edit log) facility has been deferred till 01.04.2023.

MEENAKSHI STEEL INDUSTRIES LIMITED
ANNEXURE-A TO INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 1 under the 'Report on Other Legal and Regulatory Requirements' our report to the members of **MEENAKSHI STEEL INDUSTRIES LIMITED**, ('the Company') for the year ended on March 31, 2022. We report that:-

- i. The Company does not own any fixed assets, Clause 3 (1)(a) of the Order relating to maintenance of records showing full particulars including quantity details and situation of fixed assets and Clause 3(1)(b) regarding to physical verification thereof are not applicable.
- ii. In respect of its inventories:
 - (a) As per the information and explanation given to us by the management, the Company does not hold any inventories and hence provisions of Clause 3(ii)(a) of the Order are not applicable to the Company;
 - (b) As per the information and explanation given to us by the management, the Company has not availed any working capital facility from any banks or financial institutions on the basis of security of current assets and hence provisions of Clause 3(ii)(b) of the Order are not applicable to the Company.
- iii. According to the information and explanations given to us, the Company is engaged in the business of granting of loans and accordingly the provisions of Clause 3 (iii)(a) to (e) of the Order are not applicable to the Company;

Further, the Company has not granted any loans or advances to any related party as defined in clause 76 of Section 2 of the Companies Act, 2013 and accordingly the provisions of Clause 3 (iii)(f) of the Order are not applicable to the Company
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of section 185 and 186 of the Act are applicable and hence not commented upon. Clause 3(iv) of the Order is, therefore, not applicable to the Company for the year under audit.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed thereunder to the extent notified.
- vi. According to the information and explanations given to us, the Company does not require maintaining cost records as prescribed by the Central Government under sub-section (1) of Section 148 of the Act.

(Cont...2)

- vii. (a) According to the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, GST, sales tax, wealth tax, duty of customs, duty of excise, value added tax or cess and other statutory dues applicable to it;
- Further, according to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, GST, sales tax, wealth tax, duty of customs, duty of excise, value added tax or cess and other statutory dues were outstanding, as at March 31, 2022, for a period of more than six months from the date they became payable;
- (b) According to the information and explanations given to us, there are no dues of income tax, GST, sales tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us, there are no transactions that are not recorded in the books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) Based on our audit procedures and according to the information and explanations given to us by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions and bank;
- (b) According to the information and explanations given to us, the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority;
- (c) According to the information and explanations given to us, the Company has not availed any term loan facility and hence provisions of Clause 3(ix)(c) of the aforesaid Order are not applicable to the Company;
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the company;
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its any subsidiaries, associates or joint ventures;
- (f) The Company has not raised any loans during the year on the pledge of securities held in its any subsidiaries, associates or joint ventures.

(Cont...3)

- x. (a) Based on our audit procedures and according to the information and explanations given to us by the management, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and hence provisions of Clause 3(x)(a) of the Order are not applicable to the Company;
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit and hence provisions of Clause 3(x)(b) of the Order are not applicable to the Company
- xi. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management. Clause 3(xi)(a) to (c) of the Order is, therefore, not applicable to the Company for the year under audit.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to the Company and hence provisions of Clause 3(xii) (a) to (c) of the Order are not applicable to the Company.
- xiii. The Company has not entered into any transaction with the related parties in compliance with the provisions of the Section 177 and 188 of the Act. The details of such related parties have been disclosed in the Standalone Financial Statements as required under Accounting Standard (AS)18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- xiv. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered the internal audit reports of the company issued till date, for the year under audit.
- xv. The Company has not entered into any non-cash transactions with its directors or the persons connected with him and hence provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and accordingly the Company has obtained registration from the Reserve Bank of India;
- xvii. According to the information and explanations given to us, the company has not incurred any cash losses during the year under audit as well as in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year, and hence provisions of Clause 3(xviii) of the Order are not applicable to the Company.

(Cont...4)

- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. According to the information and explanations given to us, the Company need not spend any amount as required in the Section 135 of the said Act. Accordingly, provisions of Clause 3(xx) (a) and (b) of the Order are not applicable to the Company.
- xxi. According to the information and explanations given to us, there were no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

MEENAKSHI STEEL INDUSTRIES LIMITED
ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' our report to the members of **MEENAKSHI STEEL INDUSTRIES LIMITED**, ('the Company') for the year ended on March 31, 2022.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act

We have audited internal financial controls over financial reporting of **MEENAKSHI STEEL INDUSTRIES LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year then ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, the safeguarding of the assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

(Cont...2)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of Standalone Financial Statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

These notes form an integral part of and should be read in conjunction with the accompanying standalone financial statements.

1. Corporate Information:

Meenakshi Steel Industries Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L52110DL1985PLC020240. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the activity of Finance & Investment. The principal place of business of the company is at K-27, Jiya Sarai, 1st Floor, Near IIT Gate, New Delhi.

2. Significant Accounting Policies:

2.1 Statement of compliance:

The Standalone financial statements of **Meenakshi Steel Industries Limited** (the “Company”) have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

2.2. Basis of preparation:

The Standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

2.3. Presentation of financial statements:

The Standalone Balance Sheet and the Standalone Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 (“the Act”) applicable for Non- Banking Finance Companies (“NBFC”). The Standalone Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”.

The disclosure requirements with respect to items in the Standalone Balance Sheet and Standalone Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Standalone financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the Standalone financial statements are presented in Indian Rupees rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.4. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include expected credit loss on loan books, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

2.5. Operating cycle for current and non-current classification:

Based on the nature of activities of the entity and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.6. Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

(i) Interest and dividend income

Interest income is recognised in the Standalone Statement of Profit and Loss and for all financial instruments.

Dividend income is recognised when the Company right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

(ii) Net gain or fair value change:

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

(vi) Other operational revenue:

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.7. Financial instruments:

Financial assets and financial liabilities are recognised in the Standalone balance sheet when the Company becomes a party to the contractual provisions of the instrument. Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

(i) Financial assets

(a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(b) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to sole payments of principal and interest on the principal amount outstanding and by selling financial assets.

(c) Debt instruments at amortised cost or at FVTOCI

The Company assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset and the Company's business model for managing the asset.

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that are solely payments of principal and interest on the principal outstanding (SPPI).

For an asset to be classified and measured at FVTOCI, the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has more than one business model for managing its financial instruments which reflect how the Company manages its financial assets in order to generate cash flows. The Company's business models determine whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Company considers all relevant information available when making the business model assessment. However this assessment is not performed on the basis of scenarios that the Company does not reasonably expect to occur, such as so-called 'worst case' or 'stress case' scenarios. The Company takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected). The Company reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss. In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

(d) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(e) De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and
- either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(ii) Financial liabilities

(a) Financial liabilities, including derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

(b) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

2.8. Write off:

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

2.9. Cash and bank balances:

Cash and bank balances also include fixed deposit. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.10. Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs. Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.11. Employee benefits:

(i) Short term employee benefits:

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(ii) Post-employment benefits: Defined benefit plans like the employees' gratuity fund schemes and employee provident fund schemes are not Applicable to the Company.

2.12. Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

2.13. Taxation:

Current Tax

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals. Deferred Tax Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of unutilised tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilised tax credits will get realised. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.14. Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- (i) An Company entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of :

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) A present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

2.15. Commitment:

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- (a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- (b) Uncalled liability on shares and other investments partly paid;
- (c) Funding related commitment to associate companies; and
- (d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.16. Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- (i) Changes during the period in operating receivables and payables transactions of a non-cash nature;
- (ii) Non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- (iii) All other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.17. Earnings per share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

2.18. Recent pronouncements (Ind AS)

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its standalone financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

As at 31st March, 2020	Amortise Cost	At Fair vLaue through Profit & Loss	At Fair vLaue through Other Comprehensive Income	Others (At Cost)	Level 1	Level 2	Level 3
Financial assets measured at amortised cost							
Investments	-	-	-	-	-	-	-
Financial assets measured at fair value							
Invesetments	-	37.40	7,267.72	750.22	781.76	6,523.36	750.22
Financial assets not measured at fair value							
Cash and cash equivalents	246.30	-	-	-	-	-	-
Loans	6,889.00	-	-	-	-	-	-
Other Financial Assets	48.96	-	-	-	-	-	-
Current Tax Assets (Net)	-	-	-	-	-	-	-
Financial liabilities not measured at fair value							
Current Tax Liabilities (Net)	1,657.67	-	-	-	-	-	-
Provisions	17.34	-	-	-	-	-	-
Other Non-Financial Liabilities	5.61	-	-	-	-	-	-

1) The Company has not disclosed the fair values for cash and cash equivalents, bank balances, Trade Receivables, Loans, term deposits, trade payables and other financial liabilities as these are short term in nature and their carrying amounts are a reasonable approximation of fair value. The carrying amount of the investments in Associates are at Cost.

25. B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as Their fair values as there is no material differences in the carrying values presented.

ii) Financial instruments - fair value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates.

If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) **valuation techniques**

Investment in equity instruments

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds and Preference Shares are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1.

Equity investments in unquoted instruments are fair valued using the valuation technique and accordingly classified as

Level 3.

C. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

C.1 Capital management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

26. Financial risk management objectives and policies

The Company's principal financial liabilities comprise Current Tax Liabilities and Provisions. The Company's financial assets include Investments, Loan, Interest receivable on Loan and Cash and Cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

1) Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

Loans

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each Borrower / Customer, However, management also considers the factors that may influence the credit risk of its customer base. Including the default risk associated with the industry. The Company's exposure to credit risk for loans and advances by type of counterparty is as follows;

Carrying Amount

Particular	As at 31st March ,2021	As at 31st March, 2021
Inter Corporate Loan	19,694.00 Lakhs	17,564.00 Lakhs

The Loans are repayable on demand, however an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

Cash and cash equivalent and Bank deposits

Credit risk on cash and cash equivalent and bank deposits is limited as the fund are in Current Account and sometimes in invests in term deposits with banks.

2) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Company manages its liquidity by term loans, inter-corporate deposit and investment in mutual funds.

The table below summarises the maturity profile of the Company's non-derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

Particular	As at 31 March, 2022 (₹ in Lakhs)			As at 31 March, 2021 (₹ in Lakhs)		
	Up to 12 months	More than 12 months	Total	Up to 12 months	More than 12 months	Total
Borrowings	17,000.00	-	17,000.00	12,300.00	-	12,300.00
Current Tax Liabilities (Net)	-	-	-	2,069.29	-	2,069.29
Provisions	53.64	-	53.64	47.04	-	47.04
Other Non-Financial Liabilities	44.40	-	44.40	27.19	-	27.19

3) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

29. The Company has not traded or invested in crypto currency or virtual currency during the year.
30. The Company is not required to spent any amount in terms of provisions of section 135 of the Companies, Act 2013 on Corporate Social Responsibility.
31. The Company is not a wilful defaulter by any bank or financial institution or other lenders.
32. There are no transactions with the Struck off Companies uder Section 248 or 560 of the Companies, Act 2013.
33. No proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988.

(iv) Provisions adjusted during the respective accounting periods against slippages and the residual provisions	Nil

37. The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenue recognition. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

38. Previous year figures have been regrouped / reclassified wherever necessary to correspond with the figure of the current period.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MEENAKSHI STEEL INDUSTRIES LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **MEENAKSHI STEEL INDUSTRIES LIMITED** (hereinafter referred to as the 'Parent Company') and its one Associate Company (together referred to as "Group"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (collectively referred to as 'Consolidated Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

(Cont..2)

Other Information

The Parent Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including Other Comprehensive Income, consolidated cash flows and consolidated Changes in Equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Cont..3)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion, The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

(Cont..4)

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Consolidated Financial Statements/information comprised in the Group's Consolidated Financial Statements are inclusive of Rs.7.52 Lakhs being the Parent Company's share in the net Loss of its one associate company for the year ended 31st March, 2022, which Consolidated Financial Statements/financial information have not been audited by us. It also includes an amount of Rs.7.8.34 Lakhs being the Parent Company's share in the Other Comprehensive Loss of its one associate company for the year ended March 31, 2022.

These Consolidated Financial Statements have been audited by other auditors, whose reports have been furnished to us by the management of the Parent Company and our opinion on the Consolidated Financial Statements, in so far as it relates to the said amounts and disclosures is based solely on the report of such other auditors.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the financial statements audited by other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;

- b) In our opinion, proper books of account as required by law to be maintained by the Group including relevant records relating to preparation of the aforesaid Consolidated Financial Statements, have been kept so far as it appears from our examination of those books and records of the Parent Company;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account and records maintained by the Group for the purpose of preparation of the Consolidated Financial Statements;
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
- e) On the basis of written representations received from the directors of the Group Companies as on March 31, 2022, and taken on record by the respective Board of Directors, none of the directors of the Group Companies is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Parent Company has not paid and provided remuneration to its directors during the year.
- g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls relevant to the Parent Company's preparation of the Consolidated Financial Statements, we refer to Annexure-B of our report of even date on the Standalone Financial Statements of the Parent Company; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
 - i) There were no pending litigations which would impact the consolidated financial position of the Group.
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent Company and its Associate Companies.

- iv) (a) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) As per the information and explanation given to us by the management, no funds have been received by the Parent Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) On the basis of above representations, nothing has come to our notice that has caused us to believe that the above representations contained any material mis-statement.
- v) The Parent Company has not declared or paid any dividend during the year.
- vi) Pursuant to Ministry of Corporate Affairs notification dated 24.03.2021 read with notification dated 31.03.2022 requirement of reporting by the auditor on use of accounting software for maintaining its books of account with audit trail (edit log) facility has been deferred till 01.04.2023.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

These notes form an integral part of and should be read in conjunction with the accompanying consolidated financial statements.

1. Corporate Information:

Meenakshi Steel Industries Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L52110DL1985PLC020240. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the activity of Finance & Investment. The principal place of business of the company is at K-27, Jiya Sarai, 1st Floor, Near IIT Gate, New Delhi.

2. Significant Accounting Policies:

2.1. Statement of compliance:

The Consolidated financial statements of **Meenakshi Steel Industries Limited** (the "Company") and its associates (together the "Group") have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

2.2. Basis of preparation:

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at reporting date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

2.3. Presentation of financial statements:

The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") applicable for Non- Banking Finance Companies("NBFC"). The Consolidated Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The disclosure requirements with respect to items in the Consolidated Balance Sheet and Consolidated Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Consolidated financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the consolidated financial statements are presented in Indian Rupees rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.4. Principles of consolidation and equity accounting:

An Associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using equity method of accounting. Under the equity method, an investment in associate is initially recognised in the consolidated balance sheet at cost and adjusted there after to recognise the Group's share of profit or loss and other comprehensive income of the associate. Distributions received from an associate reduce the carrying amount of the investment. When the Group's share of losses of an associate exceeds the Group's interest in that associate, the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

Unrealised gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of investment in associates is reduced to recognize impairment, if any, when there is objective evidence of impairment.

2.5. The list of subsidiaries and associate included in the Consolidated financial statement are as under:

Name of Associate	As at 31st March, 2022		As at 31st March, 2021	
	Proportion of Ownership Interest (%)	Proportion of Voting Power (%)	Proportion of Ownership Interest (%)	Proportion of Voting Power (%)
Sushree Trading Limited	28.98%	28.98%	28.98%	28.98%

2.6. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires that the management of the Group makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include expected credit loss on loan books, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

2.7. Operating cycle for current and non-current classification:

Based on the nature of activities of the Group entities and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2.8. Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

(i) Interest and dividend income

Interest income is recognised in the Consolidated Statement of Profit and Loss and for all financial instruments.

Dividend income is recognised when the Group's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

(ii) Net gain or fair value change:

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

(vi) Other operational revenue:

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.9. Financial instruments:

Financial assets and financial liabilities are recognised in the Consolidated balance sheet when the Group becomes a party to the contractual provisions of the instrument. Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

(i) Financial assets

(a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(b) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to sole payments of principal and interest on the principal amount outstanding and by selling financial assets.

(c) Debt instruments at amortised cost or at FVTOCI

The Group assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset and the Group's business model for managing the asset.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that are solely payments of principal and interest on the principal outstanding (SPPI).

For an asset to be classified and measured at FVTOCI, the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Group has more than one business model for managing its financial instruments which reflect how the Group manages its financial assets in order to generate cash flows. The Group's business models determine whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Group considers all relevant information available when making the business model assessment. However this assessment is not performed on the basis of scenarios that the Group does not reasonably expect to occur, such as so-called 'worst case' or 'stress case' scenarios. The Group takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected). The Group reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Group has not identified a change in its business models.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss. In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

(d) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(e) De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and
- either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(ii) Financial liabilities

(a) Financial liabilities, including derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

(b) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

2.10. Write off:

Loans and debt securities are written off when the Group has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Group may apply enforcement activities to financial assets written off. Recoveries resulting from the Group's enforcement activities will result in impairment gains.

2.11. Cash and bank balances:

Cash and bank balances also include fixed deposit. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.12. Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs. Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.13. Employee benefits:

(i) Short term employee benefits:

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(ii) Post-employment benefits: Defined benefit plans like the employees' gratuity fund schemes and employee provident fund schemes are not Applicable to the Group.

2.14. Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Group to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Group.

2.15. Taxation:

Current Tax

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals. Deferred Tax Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Group's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

substantively enacted as on the Balance Sheet date. Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of unutilised tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilised tax credits will get realised. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

2.16. Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- (i) an Group entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and

(ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

2.17. Commitment:

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- (a) estimated amount of contracts remaining to be executed on capital account and not provided for;
- (b) uncalled liability on shares and other investments partly paid;
- (c) funding related commitment to associate companies; and
- (d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

2.18. Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- (i) changes during the period in operating receivables and payables transactions of a non-cash nature;
- (ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

2.19. Earnings per share:

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

2.20. Recent pronouncements (Ind AS)

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its standalone financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

25. B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as Their fair values as there is no material differences in the carrying values presented.

ii) Financial instruments - fair value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates.

If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) **valuation techniques**

Investment in equity instruments

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds and Preference Shares are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1.

Equity investments in unquoted instruments are fair valued using the valuation technique and accordingly classified as Level 3.

C. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

C.1 Capital management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

objectives, policies and processes from the previous years. However, they are under constant review by the Board.

26. Financial risk management objectives and policies

The Company's principal financial liabilities comprise Current Tax Liabilities and Provisions. The Company's financial assets include Investments, Loan, Interest receivable on Loan and Cash and Cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

1) Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

Loans

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each Borrower / Customer, However, management also considers the factors that may influence the credit risk of its customer base. Including the default risk associated with the industry. The Company's exposure to credit risk for loans and advances by type of counterparty is as follows;

Carrying Amount

Particular	As at 31st March ,2022	As at 31st March, 2021
Inter Corporate Loan	19,694.00 Lakhs	17,564.00 Lakhs

The Loans are repayable on demand, however an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

Cash and cash equivalent and Bank deposits

Credit risk on cash and cash equivalent and bank deposits is limited as the fund are in Current Account and sometimes in invests in term deposits with banks.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

2) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Company manages its liquidity by term loans, inter-corporate deposit and investment in mutual funds.

The table below summarises the maturity profile of the Company's non-derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

Particular	As at 31 March, 2022 (₹) in Lakhs			As at 31 March, 2021 (₹) in Lakhs		
	Up to 12 months	More than 12 months	Total	Up to 12 months	More than 12 months	Total
Borrowings	17,000.00	-	17,000.00	12,300.00	-	12,300.00
Current Tax Liabilities (Net)	-	-	-	2,069.29	-	2,069.29
Provisions	53.64	-	53.64	47.04	-	47.04
Other Non-Financial Liabilities	44.40	-	44.40	27.19	-	27.19

3) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

MEENAKSHI STEEL INDUSTRIES LIMITED
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

37 The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenue recognition. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

38. Previous year figures have been regrouped / reclassified wherever necessary to correspond with the figure of the current period.
